January 12, 2021 3:00

This agenda is subject to change up to 24 hours prior to the meeting.

Introduce new members

1. Elect a chair and vice chair
2. Approve minutes from the June 12, 2018 meeting
3. Review request from ICC on the IECC
4. Plan review of the 2021 codes

Next Scheduled Meeting: February 9, 2020

If you do not plan on attending this meeting, please call Sharon at 530-6163 or email at ssmalley@utah.gov

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during this meeting should notify Dave Taylor, ADA Coordinator, at least three working days prior to the meeting. Division of Occupational and Professional Licensing, 160 East 300 South, Salt Lake City UT 84115, Phone 530-6628 or toll-free in Utah only 866-275-3675.

Determination Regarding Holding Meeting Without Anchor Location

Public Body: Uniform Building Code Com. IMCAC.

Chair Name: David Harlerson

The public meeting(s) scheduled for 1-12-2021 (Date or date range) will be conducted electronically and without an anchor location. I have determined meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

Facts upon which my determination is based:

Governor Gary Herbert issued Utah Executive Order 2020-1 declaring a state of emergency in response to COVID-19, and pursuant to Utah Executive Order 2020-5, modified the Open and Public Meetings Act requirements allowing electronic meetings without an anchor location. Utah Executive Order 2020-5 allows a public body to hold an electronic meeting, to provide means by which interested persons and the public may remotely hear or observe by audio or video transmission the open portions of the meeting. As a result, the chairman determines that there is substantial risk to the health and safety of those who may be present and will therefore be conducting its public meeting referenced above electronically, without an anchor location.

Signed this 12 day of Jan, 2021

Chair

UNIFORM BUILDING CODE COMMISSION

MECHANICAL ADVISORY COMMITTEE

June 12, 2018

MINUTES

STAFF:

Robyn Barkdull, Bureau Manager
Sharon Smalley, Board Secretary

MECHANICAL ADVISORY COMMITTEE:

David Wilson	Tyler Lewis
Trent Hunt	Brent Ursenbach
Dennis Thatcher	Roger Hamlet
Dave Halverson	Richard Butz (absent)

VISITORS:

MINUTES

A motion was made by Dave Wilson to approve the minutes from the May 8, 2018 meeting as written. The motion was seconded by Dennis Thatcher and passed unanimously.

REVIEW PROPOSED AMENDMENT FOR
IFGC SECTION 503.6.11.1

The committee reviewed a modified proposal for the 2018 IFGC for Section 503.6.11.1. Following the review of the changes, a motion was made by Dave Wilson to approve the modified proposal. The motion was seconded by Trent Hunt and passed unanimously.

REVIEW DRAFT OF RECOMMENDED
CHANGES FOR 2018 CODE

The committee reviewed a draft of the recommended changes for the 2018 International Mechanical Code, International Fuel Gas Code and International Energy Conservation Code. During the review of the proposed amendment for IFGC, Section 503.4.1.1, a motion was made by David Halverson to not recommend the amendment to this section. The motion was seconded by Trent Hunt and passed unanimously.

MAKE A FINAL RECOMMENDATION
FOR THE 2018 IMC, IFGC AND IECC

A motion was made by Trent Hunt to make a recommendation for the adoption of the 2018 IMC,

IFGC, and IECC along with the current and proposed amendments. The motion was seconded by Dave Wilson and passed unanimously.

The meeting adjourned at 3:28.

Note: These minutes are not intended to be a verbatim transcript but are intended to record the significant features of the business conducted in this meeting. Discussed items are not necessarily shown in the chronological order they occurred.

Provide your thoughts about the IECC

The International Code Council Board of Directors is considering updating the International Energy Conservation Code (IECC) and Ch. 11 of the International Residential Code (IRC) using the ICC standards process. For more information on the proposed framework, [click here](#).

Many stakeholders, including code officials, energy policymakers, home builders, the design community and industry representatives, have asked for improvements to the IECC development process. This feedback has made it clear that improvements are needed to keep up with rapid changes and advancements in technology related to energy conservation. The Appeals Board and the Blue Ribbon Committee recommended this course of action as the Code Council's Consensus Procedures allow for more timely consideration and an in-depth investigation of energy improvements without the time limits imposed in the code hearings. [Download](#) notes from the Blue Ribbon Committee work group meeting on November 10, 2020, for more details on the committee discussion.

On January 21, 2021, the Code Council Board will meet virtually to hear testimony from members and stakeholders.

- **TO SUBMIT WRITTEN COMMENTS:** Email your submissions to memberinput@iccsafe.org. All written submissions must be received by 8:00 PM ET on Monday, January 11, 2021.
- **TO PROVIDE VERBAL TESTIMONY:** Register to participate in the meeting [here](#). Registration for verbal testimony closes at 8:00 PM ET on Monday,

[REDACTED]

January 11, 2021. Please read the [protocols for participation](#) before registering.

- **TO LISTEN ONLY:** Register to listen to the January 21 virtual meeting [here](#). You will receive the YouTube link for audio participation via email after registration.

All written comments received by the deadline will be posted on the Code Council website. More information is available at www.iccsafe.org/iecc-development-process.

Please direct all questions to Mike Pfeiffer, Senior Vice President of Technical Services, at mpfeiffer@iccsafe.org.
